FREQUENTIS announces preliminary figures for the 2025 financial year: EBIT significantly above analysts' expectations (Consensus)

The good business development in 2025 enabled revenues to rise to around EUR 580 million (2024: 480.3 million) according to the preliminary figures.

EBIT rose to around EUR 47 million according to preliminary figures (2024: 32.1 million), due to the overall profitable project execution, including a claim settlement from a project in the Public Safety & Transport segment. The EBIT margin is thus around 8% (2024: 6.7%). Excluding the settlement, the EBIT margin for 2025 is around 6.7%.

Order intake rose to around EUR 680 million (2024: 583.8 million).

For 2026, the company is aiming for an increase in revenues and order intake as well as an EBIT margin of around 7%.

The annual report for the full year 2025 will be published as planned on 9 April 2026.
