In view of the COVID-19 pandemic, to protect the shareholders and other participants at our General Meeting, the Executive Board has decided, after careful consideration, that the 15th Annual General Meeting will be held without the physical presence of the shareholders. In the assessment of the Executive Board, this takes into account in the best possible manner both the interests of the Company and the interests and wellbeing of the participants.

The upcoming Annual General Meeting of FREQUENTIS AG on 2 June 2022 will be held as a virtual General Meeting without physical presence of the participants in accordance with Section 1 (1) COVID-19 Corporate Act (COVID-19-GesG, latest version) and the regulation of the Austrian Minister of Justice concerning further details of holding meetings under company law without the physical presence of the participants and passing of resolutions in a different manner (COVID-19 Corporate Regulation, latest version) in accordance with Section 1 (2) COVID-19 Corporate Act).

REQUIREMENT TO APPOINT A SPECIAL PROXY HOLDER / INFORMATION ON THE APPOINTMENT OF A REPRESENTATIVE IN ACCORDANCE WITH SECTION 113 AUSTRIAN COMPANIES ACT (AKTG)

Requirement to appoint a special proxy holder – special provision for the present General Meeting: In accordance with Section 3 (4) of the COVID-19 Corporate Regulation a motion may be submitted, votes cast, and objections raised at this virtual General Meeting exclusively by one of the following special proxy holders:

- Florian Beckermann, IVA Interessenverband für Anleger
- Dominik Huber, IVA Interessenverband für Anleger
- Dr. Maria Brandstetter, Attorney at Law
- Franz-Georg Piskernik, Notary

Each shareholder can freely choose one of the abovementioned persons as special proxy holder and grant this person power of attorney.

For the granting of power of attorney to those special proxy holders, a special form will be available on the Company's website at www.frequentis.com > Investor Relations > General Meeting > General Meeting 2022 from **12 May 2022** at the latest. In addition, a form for the revocation of the power of attorney will be available there from the same date. Please read the power of attorney form carefully. In order to ensure seamless processing, we recommend always using the power of attorney form provided.

Shareholders are recommended to contact the special proxy holder they have authorized in good time if they wish to give the proxy holder specific instructions on the submission of motions, voting, and/or raising an objection to one or more agenda items at the General Meeting. Please find below detailed contact information in case you wish to contact one of the special proxy holders directly:

- Florian Beckermann, c/o IVA Interessenverband für Anleger, Feldmühlgasse 22/4, 1130 Vienna, Austria, beckermann.frequentis@hauptversammlung.at or
- Dominik Huber, c/o IVA Interessenverband für Anleger, Feldmühlgasse 22/4, 1130 Vienna, Austria, huber.frequentis@hauptversammlung.at or

FREQUENTIS AG bears the costs for the representation by the abovementioned special proxy holders. All other costs, in particular own banking fees for the deposit confirmation or postal charges, have to be borne by the shareholder.

Information on the appointment of a representative in accordance with Section 113 Austrian Companies Act (AktG): In accordance with Section 113 (1) Austrian Companies Act (AktG), each shareholder who is entitled to attend the General Meeting has the right to appoint a natural or legal person as representative who attends the General Meeting on behalf of the shareholder and has the same rights as the shareholder represented. Shareholders are not restricted in terms of the number of persons they appoint to represent them and in their choice of representatives. Each power of attorney must name the representative(s). If a shareholder grants power of attorney to the bank where he/she has deposited his/her shares (Section 10a Austrian Companies Act (AktG)) subject to the agreement of that bank, it is sufficient for the bank to provide the Company – in addition to the deposit confirmation – with a declaration by one of the permitted means that it has been granted power of attorney; in such cases, there is no need to send the power of attorney to the Company.

Please note: If a shareholder wishes to cast a vote, submit motions for resolutions or object to one or more items on the agenda at the General Meeting, the shareholder or the representative appointed by the shareholder is, in accordance with the special provision of Section 3 (4) COVID-19 Corporate Regulation, required to appoint one of the abovementioned special proxy holders and issue instructions to that special proxy holder.

If a person other than one of the aforementioned special proxy holders is appointed as a representative, it is – for the exercise of voting rights, the right to submit motions, and the right to raise objections – essential to ensure that one of the four special proxy holders is given power of attorney by means of an effective chain of proxies (sub-proxy).

SUBMISSION OF THE POWER OF ATTORNEY TO THE COMPANY

Declarations concerning the granting of powers of attorney – in particular regarding the granting of power of attorney to one of the abovementioned special proxy holders – need to be sent to the Company in text form, if possible by **31 May 2022 at 12.00 hours (CEST)** (receipt), solely by one of the following means (in this context, we again expressly point out the requirement to appoint a special proxy holder for casting votes, submitting motions for resolutions and/or raising any objections):

The power of attorney must be attached to the e-mail in text form, for example as a PDF (please submit powers of attorney pursuant to Section 113 (1) Austrian Companies Act (AktG), which are granted to persons other than the abovementioned special proxy holders, in the form described, to vollmacht.frequentis@hauptversammlung.at),

The power of attorney sent to one of the four special proxy holders cannot be accessed by the other special proxy holders.

Personal delivery of the power of attorney at the venue of the meeting is expressly excluded.

Power of attorney may be revoked by the shareholder. The aforementioned provisions on granting power of attorney apply analogously to the revocation of the power of attorney. The revocation only becomes effective upon receipt by the Company.

Such information must comply with the principles of diligent and truthful accountability. The Company may refuse to provide information to the extent that, according to sound business judgment, it might cause material damage to the Company or an affiliated company or if providing such information would constitute a punishable offense. The provision of information may also be refused if such information has been continuously available on the Company website registered with the commercial register in the form of a question and answer for at least seven days prior to the beginning of the General Meeting.
